HYATT®

WELCOME TO THE PEPSICO PROGRAM

At PepsiCo, we are proud of our longstanding partnership with Hyatt. We're excited to partner with you in Latin America and the Caribbean and bring PepsiCo's world-class portfolio of food and beverage brands to your guests. From iconic favorites to today's fastest-growing brands, our portfolio is designed to meet evolving consumer tastes and elevate experiences across every stage of the guest journey.

As a preferred PepsiCo partner, you'll gain access to industry-leading beverages, snacks, and food solutions, backed by a team committed to seamless execution and exceptional service. Together, we'll help deliver the variety, innovation, and quality today's travelers expect while creating memorable moments that keep guests coming back.

This Playbook provides an overview of the PepsiCo Program, highlights our portfolio, and outlines the resources and support available to help maximize the value of our partnership.

We look forward to growing together and delivering exceptional guest experiences.

PEPSI PROGRAM SET UP DETAILS

What to Expect During Implementation

1. Local PepsiCo team to contact and survey your property and determine equipment needs.

2. Your account will be set up and an account number will be designated. Documents will be provided for account setup at the time of survey.

3. Local PepsiCo Equipment Team will **order and allocate equipment** for your property.

4. Local PepsiCo Sales Representative to contact property to **discuss initial product order**.

5. Local PepsiCo Equipment Team to contact property **to schedule date/time of installation** once equipment is ordered.

6. Property to ensure the following prior to conversion date:

- PepsiCo order has beenreceived
- Any existing products are run-down
- Any other agreed follow-up from survey calls is fulfilled.

7. Local PepsiCo Equipment Team will contact property 24-48 hours prior to install to **confirm site readiness.**

Installations will vary based on size and scope of work.

8. Local PepsiCo Equipment Team will arrive as scheduled to uninstall existing equipment and **install PepsiCo equipment.**

9. Any previously installed fountain equipment is moved into your preferred storage spot and scheduled for pickup.

10. If there are any questions about what is required, please discuss with your local PepsiCo Equipment and Sales Teams during the property survey to ensure readiness.

Ordering Process

WELCOME TO THE PEPSICO FAMILY! Our local teams will contact you to walk you through the order process shown below and answer any questions that you may have.

STEP 1

WELCOME CALL

Verify account information:

- Credit details/application submitted
- Accurate contact information

Product range available Pricing

details reconfirmed

STEP 2

FIRST FILL ORDER

Explain order process:

- Hours of operation
- Order frequency, call and delivery dates
- Minimum drop rates

Build initial order and ensure product available for installation

Order requirements:

- Core “brand standard” products
- Other products agreed
- CO2 if applicable

STEP 3

FOLLOW-UP CALL

Once conversion has been completed.

Equipment is installed and working Product

has been received

Tackle any transition concerns

Detail preventative maintenance and service schedules

THANK YOU
